

**WISS PINKING SHEARS
MODEL C**

Black Enameled Handles
Nickel Plated Blades

These amazing shears do away with hours of labor and add the smart, neatly pinked seams found in the best professional tailoring. They also suggest many shortcuts—pinked in place of overcasting, bias binding, turning under, and many economies such as making doilies, shelf covers, ruffles, collars, scarfs, and other decorative objects.

Model	Full Length	Length of Blade	Weight Each (boxed)
C	9 in.	3 1/2"	10 1/4 oz.

Individually packed.

BENT TRIMMERS

Shaped like tailors' shears. Crucible steel inlaid blades. 10 inch and larger have two sharp points and are fitted with special steel bolt and nut.
