

# WISS® GARDEN SHEARS

CATALOG No. GNS-74/75

Look for this official DuPont Certification Seal of Approval. Only manufacturers who have complied with DuPont's rigid application specifications are allowed to display it. Wiss Garden Shears with Teflon-S carry this official seal of approval to indicate that DuPont's exacting standards have been met. Teflon-S shears won't stick, rust, are friction-free and easy to clean.

### QUALITY REPLACEMENT AND GUARANTY

All WISS products are carefully inspected before leaving the factory. J. Wiss & Sons Co. guarantees its products against any defects in workmanship or material provided the products are used under normal conditions and are not abused. Any article claimed defective in workmanship or material must be returned to the factory, transportation charges prepaid. If we determine the item is defective, it will be replaced free of charge, or your account will be credited accordingly. If the item has been abused or is not defective, it will not be replaced free of charge but may be re-

paired at customer's expense upon obtaining permission from customer.

Under no circumstances are we responsible for any damage beyond the purchase price paid for the damaged item. No damages or charges of any kind, either for labor, expenses or other costs, suffered or incurred by customers in repairing or replacing defective goods or occasioned by them will be allowed, except in accordance with this guaranty.
